RE: No shipments inquiry for silicon metal from Norway produced and/or exported by Wacker Chemicals Norway A.S. (A-403-805)

1. Records at Commerce indicate that silicon metal from Norway produced and/or exported by Wacker Chemicals Norway A.S. has not been imported during the period 01/01/2016 through 12/31/2016.

2. If any CBP import officer has contrary information regarding entries of this merchandise which were made during the period 01/01/2016 through 12/31/2016, CBP officers should report the following information to Commerce via the ACE AD/CVD Inquiry System within 10 days of the date of this message: message number, AD/CVD case number, entry number(s), date of entry, producer name and address, shipper/seller name and address, exporter name and address, and importer name and address.

CBP port personnel should include any ACS entries affected by this inquiry in the text of the reply to this inquiry. At the present time, the ACE entry number field only accepts ACE entry numbers.

3. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce at (202) 482-0984. CBP ports should submit their inquiries through authorized CBP channels only. (This message was generated by OII:BB.)

4. There are no restrictions on the release of this information.
